It is rare to find an acreage home to suit granny or the older child that won't leave far from home. This beautiful place has a 3 bedroom house plus a 2 bedroom granny flat as well as solar, a workshop and two single garage spaces.

Situated on a fully fenced 4800 sqm block with plenty of roof for the kids to play and you to enjoy the garden. Perfectly set up with established vegetable gardens, that will need the care and attention of the keen gardener.

The house and granny flat are on the same electricity meter and can not be sublet so this home will suit a family unit with teenagers needing their space or live in grandparents. The granny flat would also make a great office/work from home.
