With only 6 units in the block, number 4 is a very secure unit that will make you feel safe. There are security screens on all windows and doors. This is great for a single or couple.

There are 2 bedrooms, a double and single, both with built in wardrobes. The bathroom is big with a bath tub and separate shower. The shower is gorgeous with pebbled floor to give it some character. There is a toilet in the bathroom but it is separate from the main room for privacy.
